CLEARINGHOUSE RULE 97-064

Comments

[NOTE: All citations to “Manual” in the comments below are to the Administrative Rules Procedures Manual, prepared by the Revisor of Statutes Bureau and the Legislative Council Staff, dated October 1994.]

2. Form, Style and Placement in Administrative Code

a. In s. Trans 305.15 (5) (a), the agency may wish to add at the beginning of the paragraph a statement to the effect of “Except as provided in par. (b),” to clarify the applicability of the camper top exemption.

Also, in SECTION 16, s. Trans 305.15 (5) should be renumbered sub. (5) (a) and amended. A separate SECTION should create par. (b).

b. In ss. Trans 305.02 (6) and 305.51 (2), the stricken material should precede the adjacent underscored material.

5. Clarity, Grammar, Punctuation and Use of Plain Language

It would be helpful if the analysis prepared by the agency would provide a more extensive description of the federal regulations relating to the deactivation of air bags, since this may be of particular interest to persons reviewing the rule.
